

Cup of Coffee • Skip The Use

Intro: Am x 4

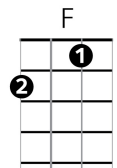

Am Em
Nothing, is strong enough to lead us astray

And it's always a mystery to me

I know you are the one for me, yeah, eh !

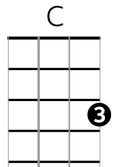

Am Em
You see, my world is turning around you

And I'm, definitely in love with you

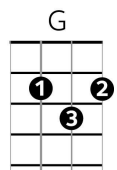

(It's hard), it's hard to be far, oh, oh !

F ↓ Dm ↓ C ↓ G ↓
All around the world, i'm with you my girl,

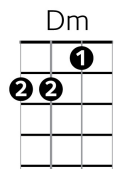

And I'm proud oh yeah so fucking proud you know

And I want to scream it loud you know

Am Em
(It's cool!) yeah you know that it's so cool

(And no) you've got nothing to prove, (I know) I know that I feel good !

Am Em
A cup of coffee, by your side in the morning

A sip of sweet love, from your lips in the evening.

Every now and then, life makes me happy, hey hey !

F ↓ Dm ↓ C ↓ G ↓
The last time we kissed, honey, sure I miss it.

You said kind words, I will never forget

You had this fucking look on your face

C Am Em G
And this time around, it's all thanks to you, baby ! (oh oh) x4

C Am Em G
I like it like that hey hey (ohoh) x3

C Am Em G C ↓
I like it like this hey hey (ohoh)
