She's a dreamer, her universe inside  
 She's a sleeper, down on the ocean ride  
 She's a breaker, a million miles behind

 All she wants, is a home away from home...  
**(C F Am G)** All she wants, is a home away from home...

 He's a claimer, the thing you done ahead  
 He's a finder, the last (port of coal)  
 On the first ship, the (fooley and cafoles)

All he wants, is a home away from home...  
 All he wants, is a home away from home...  
**(C F Am G)** All he wants, is a home away from home...

All they want, is a home away from home...  
 All they want, is a home away from home...  
**(C F Am G)** All they want, is a home away from home...
