

Far From Any Road • The Handsome Family

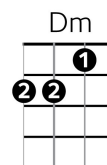

Intro : Am x 4

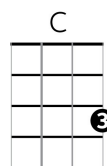

Am E Dm Am
 From the dusty May sun, her looming shadow grows
 Am E Dm Am Am
 Hidden in the branches of the poison creosote

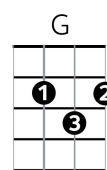

C C G G
 She twines her spines up slowly, towards the boiling sun
 Dm Dm F F
 And when I touched her skin, my fingers ran with blood

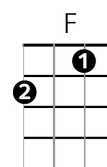

Am Am X X Am Am

Am E Dm Am
 In the hushing dusk under a swollen silver moon
 Am E Dm Am Am
 I came walking with the wind to watch the cactus bloom

C C G G
 And strange hands halted me, the looming shadows danced
 Dm Dm F F
 I fell down to the thorny brush and felt the trembling hands

Am Am X X Am Am Am Am

Am E Dm Am
 When the last light warms the rocks and the rattlesnakes unfold
 Am E Dm Am Am
 Mountain cats will come to drag away your bones

C C G G
 And rise with me forever across the silent sand
 Dm Dm F F
 And the stars will be your eyes and the wind will be my hands

Outro : Am x 3
